Explanatory Notes

This is a General Certificate of Education (GCE) Statement of Results for Advanced Subsidiary Level (AS Level) and Advanced Level (A Level). Cambridge Assessment International Education reserves the right to amend the information on this statement. Results will be confirmed by the issue of a certificate.

GCE AS Level results are reported on a 5-point scale of grades: a(a), b(b), c(c), d(d) or e(e), grade a(a) being the highest and grade e(e) the lowest. UNGRADED indicates a standard below that required for grade e(e). The content and difficulty of a GCE AS Level examination is equivalent to the first half of a corresponding GCE A Level.

GCE A Level results are reported on a 6-point scale of grades: A*(a*), A(a), B(b), C(c), D(d) or E(e), grade A*(a*) being the highest and grade E(e) the lowest. UNGRADED indicates a standard below that required for grade E(e). Under some circumstances where a candidate has entered for a GCE A Level but does not achieve a grade E(e) or above, a GCE AS Level grade a(a) to e(e) may be awarded in the syllabus.

The text Advanced Subsidiary or Advanced Level prefixing the result indicates the level at which the result was awarded for the syllabus.

NO RESULT indicates that a result cannot be issued because of absence for the whole or part of the examination in the syllabus or because of a decision not to issue a result for some other reason.

PENDING indicates that a result cannot be issued at present but will follow in due course.

The assessment of a language syllabus Speaking component is shown as 'With Distinction in Speaking', 'With Merit in Speaking' or 'With Pass in Speaking'. Candidates who are ungraded in the Speaking component will have no record of their speaking performance printed on their statement of results or certificate.

The Percentage Uniform Mark for GCE AS Level and GCE A Level is provided in addition to the grade for a syllabus. The Percentage Uniform Mark is not the total mark achieved for the syllabus. It is a common scale for all syllabuses to show whether the candidate's performance is close to the top, bottom or middle of the grade. A Percentage Uniform Mark is not provided where the candidate's result is Ungraded, No Result or Pending, or where the candidate's A Level grade was determined based on performance in the A2 components only.

Only grades a(a) to e(e) achieved in GCE AS Level syllabuses will be reported on the certificate.

Only grades A*(a*) to E(e) achieved in GCE A Level syllabuses will be reported on the certificate.
